Mr. Sokolski,

Mn/DOT's District 2 staff has reviewed the EA for the Great River Energy RDO Project, PUC Docket No: ET2/TL-06-468, and has the following comments:

Mn/DOT has R/W on the last 0.25 miles of the east end of TH 87 in the project area, 60' on the north side and 75' on the south side. The remainder of TH 87 in the project area has no official R/W.

If you have any questions, please feel free to contact Mike Kamnikar, District Traffic Engineer, at 218-755-3805.

Sincerely,

Michelle Buller
